Educational Services and Curriculum Disclosure

Effective Date: May 22, 2026

This document discloses the educational services Optio Academy provides to scholarship students and the skill and grade level of the curriculum in which a prospective scholarship student will participate.

School Type and Grade Level

Optio Academy is a **fully online private school** operated by Optio, LLC, a Utah limited liability company. The Academy serves students in **grades 9 through 12** (high school) and offers a high school diploma pathway. Curriculum is aligned with **Utah core standards for high school**.

A prospective scholarship student will participate at the grade level appropriate to their prior schooling and academic placement, within grades 9 – 12. Placement is determined in collaboration with the student's dedicated teacher at enrollment.

Mode of Instruction

Optio Academy is delivered fully online. Instruction occurs through the Optio digital platform combined with **daily 1-on-1 video sessions** between the student and a dedicated teacher. There is no physical campus and no in-person instructional component.

Academic Calendar

The Optio Academy school year begins on September 1 and runs through late May, providing full-time, year-long enrollment. Specific instructional days, holidays, and breaks are published in the Optio Academy Participant Handbook and updated annually.

Curriculum and Five Skill Pillars

Each student's curriculum is personalized in collaboration with the student's dedicated teacher, mapped to five interconnected skill pillars, and aligned with Utah core standards for high school:

- **STEM:** Science, Technology, Engineering, and Mathematics
- **Communication:** Writing, speaking, language arts, and storytelling
- **Civics:** Social studies, government, history, and community
- **Wellness:** Physical education, health, mental health, and personal development
- **Art:** Creative expression, design, music, and performance

Students earn credit toward an Optio Academy diploma by completing quests (project-based learning challenges), documenting evidence of learning, and demonstrating mastery to their dedicated teacher.

Educational Services Provided

Tuition entitles each enrolled scholarship student to all of the following services for the duration of the school year:

- A dedicated teacher who meets with the student in a 1-on-1 video session every weekday
- Full access to the Optio digital learning platform
- Personalized curriculum across the five skill pillars, aligned with Utah core high school standards
- Project-based quests, tasks, and learning evidence tools
- An AI study buddy for between-session help and tutoring
- Online showcases and a community of fellow students
- Progress tracking, badges, and a public portfolio of student work
- Official transcript and academic records
- Diploma pathway leading to an Optio Academy high school diploma

Educational Philosophy

Optio Academy operates on the educational philosophy that *The Process Is The Goal*. Learning is valued for its intrinsic worth and for the growth it creates in the present moment. The Academy combines daily 1-on-1 contact with a dedicated teacher and project-based learning across the five skill pillars.

Accreditation Status

Optio Academy is actively pursuing institutional accreditation for the 2026 – 2027 school year. The Academy will publish its accrediting body and effective accreditation date on the Optio Academy website (optioeducation.com/academy) once accreditation is final. Until accreditation is finalized, the Academy makes no representation that it is currently accredited.

Nondiscrimination

Optio Academy admits students of any race, color, and national origin to all the rights, privileges, programs, and activities generally accorded or made available to students at the school. Optio Academy does not discriminate on the basis of race, color, or national origin in administration of its educational policies, admissions policies, scholarship and loan programs, or other school-administered programs, in compliance with Title VI of the Civil Rights Act of 1964.

Right to Transfer

Nothing in enrollment with Optio Academy waives, restricts, or penalizes a student's right to withdraw from Optio Academy and transfer to another qualifying provider or school during the school year. The Academy does not require any student or parent to sign a contract, addendum, or other document that limits this right.

This disclosure is provided as part of Optio Academy's pre-enrollment disclosures to prospective families and scholarship program administrators, and is incorporated by reference into the Optio Academy Participant & Parent Agreement, available at optioeducation.com/academy-agreement, and the Optio Academy Participant Handbook, available at optioeducation.com/academy-handbook.
